This trust "Rising Nature Foundation" RNF is established in year 2017, under the "India Trust Act 1882" since its starting, me 'Dinesh Pratap Singh' as a President of this trust, I took this trust moving forward with great interest with the help of our team.

I feel very proud by seeing the progress of this trust from the starting onwards, which is increasing every year by doing different programmes related with medical, educational and other social systems. Our mission is to empower and making awareness in underprivileged communities and poor women's and school girls towards their healthy related issues. And along with the heightening of uncertainties brought covid-19, in year 2020 which marked a major changes in people's lifestyles and workstyles.

Besides all these things to provide organic food & healthy environment to every Indian, there is our one of the main project "Javic Krishi Vikas Pariyojana". Under which we provide proper training, provide all materials and knowledge and direction of their uses to a farmer who are interested in doing organic Farming and promote this organic Farming in place of chemicals fertilizer, that are very harmful to human life and upcoming generation.

So, all these programmes and activities which are handle by our team, make me feel proud that we are implementing a vision of a brighter future for India.

Thank for your support and help.

PRESIDENT OF RNF:
